Allan:

TCA confirmed that they sent you all the submissions they have for GM. The specific form that you asked about was in fact the form set up by Hagens Berman and sent submissions directly to them. TCA showed me a screenshot comparing the code from their submission form to the code of the other form which shows the forms were set up differently. I am trying to get copies of that to send you.

I am also waiting to hear back about exporting the email and will let you know asap.

Have a good weekend!

Robert
